# Message From The Founders

**Anurag Upadhyay**

*Co-Founder & Managing Director*

**Bandana Dwivedi**

*Co-Founder & Office Director*

Thank you for considering us, one of the fastest growing facility management solutions providers in India. We at ABSS, believe in providing the comfort of assurance and trust to our customers. At core, our solutions are carefully integrated to attain a balance between efficiency and effectiveness. Our trained workforce prides itself on the subject of quality whereas our support staff thrives to create the most suitable plan for the employer.

As an organization, we are constantly excited about the idea of making a difference in your lives, creating a safer, cleaner and aesthetic place for you to reside in (work in). We do this by combining our market expertise and experience to consistently mold our functional verticals of on-field security, housekeeping, horticulture and driving. We're growing confidence in our ability with each passing year and consistently adapting to current industry requirements.

# Who Are We?

The co-founders have had a simple vision to provide employment to the lower income members of the society. ABSS has emerged as a visionary in the field of facility management, that too in a short span of time. The discipline preached by the leadership is one of the core strengths of the organization. We take immense pride in our quality, cost-effective services; Gain confidence from our growing list of reputed clients.

A number of stakeholders have come to recognize and appreciate the services offered by ABSS. Testimony to this would be our growing number of employees. What started out as a project with a team of just three employees in December 2005, currently boasts of 1900+ security persons, 150+ drivers and 300+ house-keeping & horticulture staff in addition to 25 on field officers. ABSS has constantly indulged in innovation and improvement.

This fact was reassured when our founder received the **'BADGE OF HONOR'** from the **'Central Association of Private Security Industry'(CAPSI)**.

# What Do We Offer?

With over 16 years of industry experience to our name, we have established ourselves as one of the most reliable service management company in North-India. The success stems from the strong foundations reflected in our management staff. The team is broadly divided into 3 verticals: security, housekeeping & horticulture and consulting.

## 01 On Field Security

- Deployment of skilled / semi – skilled security guards, supervisors and security officers.
- Completion of mandatory training modules before deployment.
- Additional on-site trainings and transitions per requirement – customized solutions.
- Firefighting training and simulations per set routine.
- First aid knowledge transfer to all employees.

## 02 House-Keeping and Horticulture

- Improving landscape view through Gardening and Horticulture services on daily basis.
- Designing the landscape to attract commuters and involved stakeholders.
- Maintaining landscape in future and implementing new ideas at sites.
- Housekeeping and office boy staff deployment

## 03 Setup and Consulting

- Requirement understanding for all sites. Creating 'SOP' (Standard Operating Procedures) for daily work.
- Assessment of current security standards, suggestions and implementation.
- Use industry expertise to lay out a robust surveillance plan for sites.

# What Is Our Aim?

To be one of the most trustworthy facility solutions vendors in India. By constant learning and focused development, we aspire to provide the highest level of quality services to our employer.

- Being consistent at providing well trained, disciplined service personnel
- Making trust, quality and integrity hallmarks of the way we do business
- Being innovative and seeking continual improvement

# How do we work?

Our people make all the difference at ABSS. Our human resources are our principal assets. Therefore, people management and their growth is the key to our success.

- We believe in treating people right and doing right by them
- Utmost commitment towards our clients, partners and employees
- Creating impact by contributing to the betterment of society by taking on responsibility

# Who Do We Work For?

ABSS is blessed to be servicing many leading businesses in a wide variety of sectors such as IT firms, Manufacturing, Educational institutions, Showrooms, Hotels, Govt. undertakings and Hospitals; with a specialization in commercial workplaces.

Our other major set of employment comes from residential complexes, sector RWAs, society pockets and other housing facilities. Below is a list of some of our most reputed clientele.

## Recruitment & Training

The training and recruitment division at ABSS is managed by Ex-Defense Service Personnel. As part of initial general requirement, basic training in military drill is imparted and the bearing of a raw person is perfected. Trainings are provided to both armed and non-armed personnel under our industrial security services. All our instructors are trained under extreme conditions in armed forces to adapt themselves to handle difficult situations, therefore they are able to replicate the same for our candidates.

- Managed by Ex-defense Service Personnel
- Training methodology includes class room lectures and outdoor activities
- Syllabus is as recommended by (PASARA-2005)
- Not only do we train guards in class rooms, but continue on the job training so they meet out solutions best suited for you
- Soft skills and communication training to enable clear and quality experience
- Basic computer skills as per requirement

# What People Say

## RWA Member

Gurgaon

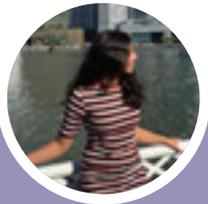

*// We employed ABSS in 2013 after multiple complaints of theft in the colony and surrounding area. I am happy to note that they provided reliable and vigilant security guards and subsequently results are good. //*

## HR Specialist at MNC

Udyog Vihar

*// Best thing is that they are an honest organization. They are following all compliances. //*

## NRI Client

New Delhi

*// The team has been successful in creating a unique solution for me and my family. To give context, I like to check on my parents living in Delhi and I can count on these people to go beyond their service agreement from time to time and help us out. I would highly recommend them as they indulge at a personal level. //*

## Security Officer

MG Road

*// I have personally been in this business for 20+ years. There are very few companies who are actually giving training to the guard before deploying. More training means less headache for me on site. That is why I have to appreciate them //*
